Pill Slicer

ASSEMBLY GUIDE

Assembly Instructions

Step 1

Using pliers, insert the razor blade into the slot in the upper piece of the slicer.

Step 2

Insert the blade pin to secure the blade in place. Make sure the pin is centred in the upper body.

Pill Slicer

ASSEMBLY GUIDE

Step 3

Place the upper body over the lower body, and align the hinge pins.

Step 4

Insert the hinge pin, and centre it in the holes.
